- **Technologies Used :** Mention the technologies, programming languages, and tools you used. For example: **Languages :** HTML,PHP,CSS, JavaScript. **Frameworks :** Smarty. **Databases :** MySQL, MongoDB **Tools :** Git.

## SKILLS

Proficient in HTML, CSS, JavaScript

Basic knowledge of programming languages like PHP , Mern

Familiar with web development frameworks and libraries

Strong problem-solving and analytical skills

Effective communication and teamwork abilities

## EXPERIENCE

### Intern at Be Practical Tech Solutions (06/2024 - Present)

*Doing an internship at Be Practical Tech Solutions*

### Project Completion (01/2024 - 04/2024)

*I have successfully completed a web application project utilizing PHP codeigniter while working at softzane solutions .*

## VOLUNTEER

### NSS Volunteer (08/2021 - 08/2024)

*Students Cordinator*

## CERTIFICATES

### PhP codeigniter (01/2024 - 04/2024)

*Certificate of Course Completion from Softzane Solutions*

### Smarty (06/2023 - 10/2023)

*Certificate of Course Completion from Softzane Solutions*

## LANGUAGES

English

*Full Professional Proficiency*

Malayalam

*Native or Bilingual Proficiency*

Hindi

*Limited Working Proficiency*

Tamil

*Limited Working Proficiency*

## INTERESTS

Participation in community tech events

Exploring new technologies

Travelling
